

THE ULTIMATE ALL SEASON SALT REMOVER AND DISINFECTANT

SALT-X

Salt-X: a super concentrated rinsing and flushing agent whose sole purpose is to remove salt. Customers that have made Salt-X a simple part of their maintenance routine are seeing tremendous cost savings by eliminating damages resulting from salt build-up.

When applied to surfaces, Salt-X finds its way into each crack and crevice, dissolving salt crystals, thereby stopping the corrosion process. Salt-X also contains a corrosion inhibitor compound that actually leaves a dry, non-oily coating to further protect surfaces against salt exposure.

An excellent example of Salt-X at work is in marine engine cooling system flushes. Once marine engines are powered off, salt remains and builds up in the cooling system. When Salt-X is used as a flush, it travels through the galleries of the engine, destroying this salt build-up.

And not just for marine use – Salt-X can be safely applied to any part of your car, truck, ATV, snow or seasonal outdoor-related equipment, without leaving any white residue. It is water soluble, non-oil based and environmentally safe. Used regularly, it lengthens the life of your valuable assets while also ensuring performance is not sabotaged by corrosive salt build-up.

Repeated use of Salt-X by commercial, industrial and military customers have shown that, when used regularly as part of a daily and or weekly scheduled preventive maintenance program, Salt-X removes even the harshest build-up of salt and salt film from all types of surfaces, without harming paints, oils, greases, fabrics, rubber items, plastics etc. thereby adding years to the useful life of the equipment.

SALTBUSTER

Saltbuster was designed to take advantage of the Salt-X technology by combining a general purpose detergent and disinfectant with Salt-X. The result was an industrial cleaner/wash that not only removes mild to medium soils, grease, oil, and hydrocarbons but also disinfects and removes even the harshest of salt buildup!

Fresh water (which contains chlorine) and ordinary soaps (which for the most part contain salt as a building agent) will not remove stubborn salt film from surfaces. This film is the first stage of corrosion!

Saltbuster works quickly to deactivate, dissolve and remove this film, thus extending the usable life of any surface exposed to salt.

WHO USES SALT-X & SALTBUSTER?

You will find Salt-X and Saltbuster widely used in the private and public sector, personally and industrially:

- DFO & Canadian Coast Guard
- RCMP Underwater Recovery Team
- Dalhousie University - Ocean Tracking Network
- Nova Scotia Community College
- Fleet Diving Unit - Atlantic
- Recreational and commercial diving companies
- Snow & Ice Management Contractors
- Commercial, and Recreational Boating Industry
- Commercial Fishing and Aquaculture Industry
- Mining and construction industry
- Municipal and public works divisions

THE MOST EFFECTIVE METAL PROTECTOR FOR HUNDREDS OF APPLICATIONS

- Boats
- Boat Motors
- Boat Sails
- Railings
- Boat Trailers
- Rod & Reels
- Cars
- Trucks
- Buses
- Vans
- Motor homes
- Mobile Homes
- Travel Trailers
- Bicycles
- Motorcycles
- Food Processing Plants
- Service Areas
- Equipment
- Storm Windows
- Patio Furniture
- Utility Buildings
- Air Conditioners
- Tents & Camping Gear
- Diving Equipment
- Ocean Shipping Containers
- Shipboard Equipment
- Construction Equipment
- Salt Spreaders
- Snow Plows
- Boxcars
- Shopping Carts
- Etc.

THE ULTIMATE METAL PROTECTOR

Miraculously removes salt and salt water from any surface and leaves a protective coating that preserves and extends surface life

READY TO USE!

REMOVES SALT / PROTECTS SURFACES / DISINFECTS

SALT-X SPRAY BOTTLE

\$19.00

Pre-Mixed / Ready to Use
32 Ounce

SALT-X 1 GALLON

\$25.00

Pre-Mixed / Ready to Use
Covers 800 ft² of Surface Area.

SALT-X 5 GALLON PAIL

\$79.00

Pre-Mixed / Ready to Use.
Covers 4,000 ft² of Surface Area.

SALT-X 55-GALLON DRUM

\$699.00

Pre-Mixed / Ready to Use
Covers 44,000 ft² of Surface Area.

275 GALLON TOTE

\$1,499.00

Pre-Mixed / Ready to Use
Covers 220,000 ft² of Surface Area.

READY TO USE!

INDUSTRIAL CLEANER / WASH WITH SALT-X AND DISINFECTANT

SALTBUSTER 1 GALLON

\$35.00

Pre-Mixed / Ready to Use
Covers 800 ft² of Surface Area.

SALTBUSTER 5 GALLON PAIL

\$99.00

Pre-Mixed / Ready to Use.
Covers 4,000 ft² of Surface Area.

SALTBUSTER 55-GALLON DRUM

\$699.00

Pre-Mixed / Ready to Use
Covers 44,000 ft² of Surface Area.

275 GALLON TOTE

\$1,999.00

Pre-Mixed / Ready to Use
Covers 220,000 ft² of Surface Area.
